Introducing an innovative color matching sealant for metal roofing substrates.

Phantom™ Metal Roof Sealant

Geocel Phantom sealant has six translucent colors that allow any panel color to shine through and blend with the surface for a great look and superior protection – saving you time and money.

- No need to bring multiple colors to the jobsite to find a match
- Allows each color to transform and match the color it's being applied to
- Provides excellent adhesion to coated metal substrates and adjacent substrates
- Applies in adverse weather: damp, cold or hot

12 cartridges (9.5 lbs.) per case; Case dimensions: 8 1/4"L x 6 1/8"W x 12"H
